

keiomobile2/eduroam Connection ID Confirmation Procedures (For iPhone / iPad)

Please refer to the following steps to check whether the account type currently used for connecting to keiomobile2/eduroam is a Keio ID or an ITC Account.

1. Tap **Wi-Fi** in **Settings**, and tap the "i" on the right side of "Keiomobile2" or "eduroam" that is currently connected or in My Networks.

2. Tap **Username**.

3. If a passcode is requested, enter your iPad's passcode.

4. The mask will be removed, and the username and password will be displayed.
- If the part of the username after the "@" is "keio.jp", it is a Keio ID.
 - If it is "user.keio.ac.jp", it is an ITC Account.
